A BIG EVENT—OUR ANNUAL MAY SALE UNDERMUSLINS

In spite of the higher prices for cotton, very low sale prices prevail. Many inquiries have been made since "May-day" in our undermuslin section as to when this sale would be held. This shows the great importance women attach to it—and justly, too.

WE began our preparations for this sale the first part of the winter, and by picking up bargain chances here and there, have now an aggregation of beautiful snowy-white undergarments the like of which were never offered in a sale before. BUY enough to last all summer. The prettiness of the garments demand it. The low prices demand it. And lastly, your own instinct of bargain-getting will guide you to the undermuslin section to-morrow.
